The Voyage Begins Here

The Voyage Begins Here CHAI GREEN

MORE THAN A MEAL. A MOMENT. A MEMORY.

Welcome to Chai Green,
where every dish brings bold, soulful flavours, heartfelt moments,
and cultural comfort.

From our humble beginnings in Birmingham, Chai Green has grown into one of the UK's most loved and fastest-growing café brands. With over 10 thriving locations, thousands of five-star reviews, and prestigious awards including Best Restaurant of the Year and Best Café of the Year, our journey is a testament to passion, flavour, and community.

But this is more than just a success story, it's a story of food, family, and connection.

We're not just a café. We're a place where tradition meets modern taste. Our menu is inspired by real life from hearty breakfasts and street-style lunches to rich butter chicken dinners and indulgent desserts.

Whether you're starting your day with our house chai, relaxing over mocktails and French toast, or catching up with friends over our signature dishes, every item is crafted to spark joy, evoke memories, and bring people together.

This isn't just another store. This is Manchester. A city of firsts, force, and fearless ambition. The birthplace of the Industrial Revolution. The home of two of the biggest football clubs on the planet Manchester City and Manchester United where matchdays don't just fill stadiums, they electrify an entire city.

People here work hard, speak straight, and show up for each other. And now, Chai Green becomes part of that story bringing soulful food, bold chai, and a space where Manchester can gather, celebrate, and connect.

And this is only the beginning.

Our vision is to take Chai Green to cities around the globe not just as a place to eat, but as a destination to experience. A brand that nourishes not only the appetite, but the soul.

**BECAUSE AT CHAI GREEN, IT'S NEVER JUST A MEAL.
IT'S A MOMENT. A MEMORY. AND A STORY WORTH SHARING.**
